## SECTION SM: MEN’S SELF-ADMINISTERED QUESTIONNAIRE

If you would like you to fill out this questionnaire by yourself, please answer all questions to the best of your ability. There are no right or wrong answers, simply choose the most appropriate response that comes closest to how you feel about each question.

After you have chosen your response, circle the number next to the answer you have chosen. Please note there may be an instruction next to a specific response category - these are directions to you as to which question to go to if you chose that response. If there is no instruction in parenthesis next to the response category you chose, then just go on to the next question that follows.

If you start to complete this questionnaire on your own and need some help, please ask me for assistance. Please remember that all your answers will be kept confidential.
