

The image displays three identical sets of data entry forms, each consisting of five rows and ten columns of red circles containing numbers 0-9. The rows are labeled on the left as 'Subject ID', 'Month', 'Day', 'Year', and 'Week'. Each row has a header cell with the label and a 10x10 grid of red circles containing numbers 0-9. The circles are arranged in a 10x10 grid for each row, with the numbers 0-9 repeated in a specific pattern.
