

**AASK
MANUAL OF OPERATIONS**

VOLUME 1

PAGE

SECTION ONE. RECRUITMENT

All Pages in Section One are dated June 2, 1997

1.0	RECRUITMENT	1
1.1	Background	1
1.2	Recruitment Strategies	1
1.3	Participant Selection/Eligibility and Exclusion Criteria	1
1.3.1	Inclusion Criteria	1
1.3.2	Exclusion Criteria	2
1.4	Pre-Screening Procedure.....	3
1.4.1	Chart Prescreening Form #01	3
1.4.2	Personal Contact Prescreening Form #02	4
1.5	Completion of Pre-Screening Forms	4
1.6	Informed Consent.....	4
1.6.1	General Principles.....	4
1.6.2	Participation in Other Studies.....	4
1.6.3	Sequence of Procedures.....	4
1.6.4	Privacy	5
1.7	Evaluation of Recruitment and Compliance	5

SECTION TWO. CLINIC MANAGEMENT

All pages in Section Two are dated February 2, 1996

2.0	CLINIC MANAGEMENT	1
2.1	Recommendations for Space	1
2.1.1	Patient Care Space	1
2.1.2	Office Space.....	1
2.1.3	Storage Space.....	1
2.2	Recommendations for Supplies/Equipment.....	1
2.2.1	Office Supplies/Equipment	2
2.2.2	Laboratory Supplies/Equipment.....	2
2.2.3	Blood Pressure Equipment	2
2.3	Scheduling of Activities.....	2
2.3.1	Administrative Activities.....	3
2.3.2	Recruitment Activities.....	3
2.3.3	Scheduling Participant Visits	3
2.3.4	Quality Data Collection	4

2.4	AASK REFERENCE MATERIALS	4
2.4.1	Reference Materials	4
2.4.2	The Paper Copy of the Medication Logbook	4

SECTION THREE. PATIENT VISIT MANAGEMENT

All pages in Section Three are dated March 2, 1995

3.0	PATIENT VISIT MANAGEMENT	1
3.1	Preparation Before Participant Visits	1
3.1.1	Reminder About Appointments	1
3.1.2	Assemble Materials for Visits	1
3.1.3	During the Visit	1
3.2	Follow-Up After Visit.....	1
3.2.1	Following the Visit	1

SECTION FOUR. SCREENING VISITS

All pages in Section Four are dated June 6, 1997

4.0	SCREENING VISITS	1
4.1	Screening Visit 1 (SV1).....	1
4.2	Screening Visit 2 (SV2).....	2
4.3	Combined Screening Visit (SV1/SV2)	4
4.4	Doing the "B1-0" 24-Hour Urine During Screening.....	4

SECTION FIVE. BASELINE

All pages in Section Five are dated December 9, 1997

5.0	BASELINE	1
5.0.1	General Principles of Baseline	1
5.0.2	Glomerular Filtration Rate	2
5.0.3	Laboratory Tests from Screening through Randomization.....	2
5.0.3.1	Baseline Laboratory Test Schedule	3
5.0.3.2	Baseline 24-Hour Urine Collections	3
5.0.3.3	Baseline Blood Tests	3
5.0.3.4	Electrocardiogram.....	4
5.0.4	Screening Medication Status	4
5.0.5	History and Physical Examination	5
5.0.6	Blood Pressure Measurement.....	5
5.0.7	Participant Questionnaires.....	5
5.0.8	Treatment of Hypertension during Baseline Period.....	6
5.0.8.1	Participants Not On Antihypertensive Therapy	6
5.0.8.2	Participants Already on Antihypertensive Therapy	6
5.0.9	Randomization.....	7

5.0.10	Assessment of Compliance to Study Protocol	7
5.0.11	Additional Assessments and Exclusions during the Baseline Period.....	7
5.1	Back Titration Visits (BT-1, BT-2, BT-3, etc.).....	8
5.2	GFR Measurements (G1 and G2).....	8
5.3	Unblinding of a GFR Result	8
5.4	Limited Physical Examination.....	8
5.5	Laboratory Tests.....	9
5.6	24-hour Urine Collection	9
5.7	EKG.....	9
5.8	Restarting Patients in Baseline	9

SECTION SIX. BLOOD PRESSURE MANAGEMENT

All pages in Sections 6.0 through 6.0.5 are dated February 8, 1996

6.0	BLOOD PRESSURE MANAGEMENT	1
6.0.1	Blood Pressures	1
6.0.2	Antihypertensive Drug Management in AASK.....	5
6.0.3	Action Plans.....	7
6.0.4	Action Items During Follow-Up Related to BP Management	11
6.0.5	Stop Points Related to BP Management	12
	<i>(All pages in Sections 6.1 through 6.9 are dated June 25, 1998)</i>	
6.1	Overview of Blood Pressure Management.....	13
6.2	Background	13
6.3	Training and Certification.....	14
6.4	Blood Pressure Measurement - Step by Step	14
6.4.1	Overview.....	14
6.4.2	Preparation for Blood Pressure Measurement	15
6.4.3	Blood Pressure Measurement Procedures.....	16
6.4.4	Stethoscope	17
6.4.5	Arm Measurement and Cuff Sizes	17
6.4.6	Application of The Blood Pressure Cuff.....	18
6.4.7	Determining the Peak Inflation Level	18
6.4.8	Pulse Measurement.....	19
6.4.9	Blood Pressure Readings.....	20
6.4.10	The Random-Zero Mercury Sphygmomanometer.....	20
6.4.11	Measuring Blood Pressure With a Random-Zero Device	20
6.4.12	Criteria for Systolic and Diastolic Blood Pressure	21
6.4.13	Blood Pressure Calculations.....	22
6.4.14	Reporting the Blood Pressure Results to the Participant	22
6.5	Training Materials.....	22
6.5.1	Overview of Training Materials	22
6.5.2	General Plan.....	23
6.5.3	Lecture/Slide Presentations	23

6.5.4	Lecture #1: Blood Pressure Measurements - Problems and Solutions	24
6.5.5	Lecture #2: The Random-Zero Device	27
6.5.6	Slides 1- 7	27
6.5.7	Lecture #3: Procedures in Blood Pressure Recording	28
6.5.8	Slides 1-10: Equipment and Supplies	28
6.5.9	Slides 11-19: Arm Measurement	29
6.5.10	Slides 20-31: Preparation for Actual Readings.....	29
6.5.11	Slides 32-33: Pulse	30
6.5.12	Slides 34-45: First Blood Pressure Reading	30
6.5.13	Slides 46-50: Between Readings.....	31
6.5.14	Slides 51-53: Second Blood Pressure Reading.....	31
6.5.15	Between Readings / Third Blood Pressure Reading	31
6.5.16	Standing Blood Pressure Readings	31
6.5.17	Lecture #4: Local Blood Pressure Equipment Maintenance and Mercury Toxicity Safety Responsibility.....	32
6.5.18	General Guidelines	32
6.5.19	Common Problems with - and Solutions for - the Manometer	33
6.5.20	Inspection of the Random-Zero Manometer.....	34
6.5.21	Lecture #5: Training Observers in the Clinical Center.....	36
6.5.22	Preparation for Training Observers	36
6.5.23	Training Tips.....	37
6.5.24	Documentation of Certification.....	37
6.6	Certification Procedures and Criteria	38
6.6.1	Three Steps Needed for Certification.....	38
6.6.2	Instructions for Taking the Video Test.....	39
6.6.3	Three Study Forms Required for Certification Procedures	39
6.7	Blood Pressure Measurement Quality Control.....	39
6.7.1	Overview.....	39
6.7.2	Annual Recertification and Retraining.....	40
6.7.3	Monitoring for Digit Preference.....	41
6.7.4	Bimonthly Y-Tube Stethoscope Observations.....	41
6.7.5	Responsibilities of the Data Coordinating Center and The Training Supervisors	42
	(Pages 43 through 43.4 are dated February 15, 2000)	
6.7.6	Checklist Used for Certification and for Quality Control.....	43
	(Pages 44 and 45 are dated June 25, 1998)	
6.8	Acknowledgment of Adaption.....	44
6.9	References	45
	(All pages in Sections 6.10 through 6.11.5 are dated January 11, 1996)	
6.10	Strategies for Monitoring and Promoting Adherence	46
6.10.1	Statement of Purpose	46
6.10.2	Principles of Adherence Promotion	46

6.10.3	Adherence Promotion Training and Certification.....	49
6.10.4	Monitoring and Promoting Adherence.....	50
6.10.5	Strategies for Evaluating Adherence.....	53
6.11	Lifestyle Modifications.....	54
6.11.1	Principles and Strategies.....	54
6.11.2	Fundamentals of Lifestyle Modification.....	54
6.11.3	Materials and Equipment Necessary for Implementing Lifestyle Modification.....	55
6.11.3.1	Participant Data.....	55
6.11.4	Lifestyle Modification Counseling/Assessment.....	55
6.11.4.1	Qualification of Study Personnel.....	55
6.11.4.2	The Environment.....	55
6.11.4.3	Communication.....	55
6.11.4.4	Schedule of Visits for Lifestyle Modification.....	56
6.11.4.5	Preparation for Lifestyle Modification Visits.....	56
6.11.4.6	Content of Lifestyle Modification Visit.....	56
6.11.5	Compliance with Lifestyle Modification Recommendations.....	57

SECTION SEVEN. GLOMERULAR FILTRATION RATE

All pages in Section Seven are dated June 6, 1997

7.0	MEASUREMENT OF GLOMERULAR FILTRATION RATE.....	1
7.1	Introduction.....	1
7.2	Clinical Centers' Responsibilities.....	1
7.2.1	GFR Test Protocol.....	1
7.2.2	Preparing the Samples for Mailing to the Central GFR Lab.....	5
7.3	Central Laboratory Responsibilities.....	7
7.3.1	Communication.....	7
7.3.2	GFR Sample Receipt.....	7
7.3.3	GFR Sample Counting.....	7
7.3.4	GFR Test Data Forms.....	8
7.3.5	GFR Calculations.....	8
7.3.6	Reporting of GFR Results.....	8
7.3.7	GFR Data Storage.....	9
7.3.8	GFR Laboratory Radiation Safety.....	9
7.3.9	GFR Laboratory Quality Control.....	10
7.3.10	Certification of Clinic Center GFR Personnel.....	10
7.3.11	Procedure for Detecting Possible Radioisotope Misadministration.....	11
7.3.12	Mailing Supplies for GFR Samples.....	11
7.3.13	Shipment of Samples.....	11
7.4	References.....	12
7.5	Details of GFR Calculations.....	13
7.6	¹²⁵ I-Sodium Iothalamate (Glofil).....	17

7.7	Dose Estimates for Skin and Other Organs.....	18
7.8	Pre-GFR Light Meal Ideas.....	20
7.9	Foods to Choose From for the Pre-GFR Light Meal	21
7.10	Abbott Testpack HCG-Combo Pregnancy Test Instructions.....	23
	7.10.1 Quality Control	23
	7.10.2 Storage of Kit.....	23
7.11	Procedure for Reporting Misadministration of Radioisotope During GFR Studies	24

SECTION EIGHT. CLINICAL CENTER SAMPLE COLLECTION

All pages in Section Eight are dated February 15, 2000

8.0	CLINICAL CENTER SAMPLE COLLECTION AND HANDLING	1
8.1	Laboratory Responsibilities	1
	Table 8.1 Central Biochemistry Laboratory/Visits Procedures	2
	Table 8.2 Central Biochemistry & Local Labs.....	3
8.2	Telephone/Written Communications	4
8.3	Central Biochemistry Laboratory	4
	8.3.1 Procurement of mailing supplies for biochemistry samples.....	4
	8.3.2 Distribution of mailing supplies to participating clinical centers.....	4
	8.3.3 Postal inquiries.....	4
	8.3.4 Sample package receipt at CCF.....	5
	8.3.5 Communication with participating clinical centers concerning sample receipt problems, protocol changes, etc.....	5
8.4	Sample Handling at the Clinical Centers	5
	8.4.1 Sample requirements	5
	8.4.2 Labeling	5
	8.4.3 Instructions for drawing blood for biochemistry samples	6
	8.4.4 24-hour urine collection instructions.....	6
	8.4.4.1 Instructing the patient on collecting their 24-hour urine.....	7
	8.4.4.2 Acceptance of 24-hour urines.....	7
	8.4.5 Processing the 24-hour urine samples.....	8
	8.4.6 Serum for biochemical analysis.....	9
	8.4.7 Clinical center local laboratory specimens.....	9
	8.4.8 Instructions for Buffy Coat Collection.....	9
	8.4.9 Sample storage.....	11
	8.4.10 Sample mailing instruction.....	11
8.5	Abbott Testpack HCG-Combo Pregnancy Test Instructions.....	11
8.6	Quality Control of the Abbott Testpack HCG Combo Pregnancy Test	12
8.7	Storage of Kit	12
8.8	List of Some Common Medications That You Cannot Take 2 Days Before a 24-Hour Urine Collection Test or Serum Measurements	12
8.9	24-Hour Urine Collection	15
8.10	24-Hour Urine Collection	16

8.11	Mid-Stream Urine Procedure.....	17
------	---------------------------------	----

SECTION NINE. CBL SAMPLE COLLECTION AND HANDLING

All pages in Section Nine are dated June 25, 1998

9.0	CENTRAL BIOCHEMISTRY LABORATORY SAMPLE COLLECTION AND HANDLING.....	1
9.0.1	Calculation of Sodium, Potassium, and Protein Intake,Protein/Creatinine Ratio and Creatinine Clearance.....	1
9.1	Sample Processing at the CBL	1
9.1.1	Sample receipt and log-in.....	1
9.1.2	Sample Storage at the CBL	2
9.1.3	Sample Distribution by the CBL Technician	2
9.1.4	Analytical Methods of the Central Biochemistry Laboratory.....	2
9.2	External Quality Control for Clinical Center Laboratories.....	3
9.3	External Quality Control Protocol for the CBL	3
9.3.1	Duplicate Samples	3
9.4	Analysis of Discrepancies Found on Split Patient QC Samples Analyzed by the CBL	4
9.4.1	Patient and duplicate QC results	4
9.4.2	Not enough sample to recheck	4
9.4.3	Recheck results which differ by the defined variance	5
9.4.4	All Forms 18, 19, 20, 21, 22 and 23 with deletions will be flagged	5
9.5	Internal Quality Control Protocol for the CBL.....	5
9.6	QC Action Guidelines.....	5
9.6.1	Daily Quality Control Action Procedures	5
9.6.2	Shifts and Trends	7
9.7	AASK CBL Problem Record	8
9.8	Reference Ranges For The Central Biochemistry Laboratory	9

SECTION TEN. QUALITY CONTROL OF STUDY DATA

All pages in Section Ten are dated June 25, 1998

10.0	QUALITY CONTROL OF STUDY DATA	1
10.1	Introduction	1
10.2	Local Biochemistry Laboratories.....	1
10.3	GFR Procedure.....	1
10.4	Blood Pressure Measurements.....	1
10.5	Site Visits	2
10.6	Quality Control of the Central Biochemistry Laboratory.....	2
10.7	Quality Control of the Central GFR Laboratory	4

SECTION ELEVEN. COMPUTING AND DATA ENTRY

All pages in Sections 11.1 through 11.14.1 are dated December 21, 1998

11.0	COMPUTING AND DATA ENTRY	1
11.1	Computing Systems Overview	1
11.2	Your AASK Study Personal Computer.....	1
11.3	Instructions: Connecting to the DCC Computer.....	2
11.4	Instructions: How to Enter Study Data into the Database	3
11.5	Instructions: How to Change Study Data in the Database	7
11.6	Instructions: Responding to DCC Initiated Inquiries.....	9
11.7	Changing Your Password	13
11.7.1	Modifying Your DCC Sun Account Password.....	13
11.7.2	Modifying Your Personal Oracle Password.....	14
11.8	Electronic Mail.....	14
11.8.1	Public Distribution Alias Lists	15
11.9	PC Specifications	15
11.10	Sample AASK Computing Menus	16
11.11	Pine Mail Utility.....	17
11.11.1	Introduction.....	17
11.11.2	The "To" Field	18
11.11.3	E-mail Address Format.....	18
11.11.4	Description of the Folder Index Screen.....	18
11.11.5	Description of the Address Book Screen	19
11.11.6	Delete, Reply, and Forward.....	20
11.11.7	Additional Help	20
11.12	Keymapping	20
11.13	Retrieving Data From Forms	22
11.13.1	Introduction.....	22
11.13.2	Matching Exact Values.....	23
11.13.3	Entering Variable Conditions	23
11.13.4	Using Pattern Matching.....	24
11.13.5	Count Query Hits	24
11.14	Dialing In To The DCC Computer (1-800 #).....	25
11.14.1	Dialing In To the DCC Computer Directly (Clinical Center will be Charged).....	26
	<i>(All pages in Section 11.15 through 11.16 are dated December 9, 1997)</i>	
11.15	SQLASSIST	27
11.15.1	Introduction.....	27
11.15.2	Using SQLASSIST.....	27
11.15.3	Operating SQLASSIST	28
11.15.4	On-line Help	29
11.15.5	Exiting SQLASSIST	29
11.15.6	Building a Simple Query	30

11.15.7	WHERE Clause	32
11.15.8	Building Query Using WHERE Clause	33
11.15.9	Using Logical Operators in Query.....	35
11.15.10	Sorting the Data	36
11.15.11	Saving and Retrieving Queries.....	38
11.15.12	Report Writer	39
11.15.13	Building Reports	40
11.15.14	Customizing the Report.....	42
11.15.15	Saving and Retrieving Report	44
11.16	Remote, Interim Data Entry Certification Process.....	44

SECTION TWELVE. DEVIATIONS FROM ASSIGNED TREATMENT

All pages in Section Twelve are dated February 8, 1996

12.0	DEVIATIONS FROM ASSIGNED TREATMENT	1
12.1	Intercurrent Illnesses	1
12.1.1	Short-term Illness.....	1
12.1.2	Long-term Illness	1
12.2	Adverse Events	1
12.3	Action Items	1

SECTION THIRTEEN. RANDOMIZATION

All pages in Section Thirteen are dated February 8, 1996

13.0	RANDOMIZATION	1
------	---------------------	---

SECTION FOURTEEN. FOLLOW-UP PERIOD

All pages in Section Fourteen are dated December 21, 1998

14.0	FOLLOW-UP PERIOD (VISITS FV-1...FV-N).....	1
14.1	Routine Follow-up Visits.....	1
14.1.1	Clinical Assessment.....	1
14.1.2	Blood Tests	1
14.1.3	GFR Measurements	2
14.1.4	Urine Tests	2
14.1.5	Interventions	3
14.1.6	Blood Pressure Measurement Procedure	3
14.2	Non-Protocol Visits	4

SECTION FIFTEEN. PARTICIPANT TRANSFER

All pages in Section Fifteen are dated June 6, 1997

15.0	PARTICIPANT TRANSFER.....	1
	Sample Report Once Transfer Form is Keyentered	2

SECTION SIXTEEN. SITE VISITS

All pages in Section Sixteen are dated February 8, 1996

16.0 SITE VISITS 1

SECTION SEVENTEEN. PARTICIPANT CLOSE OUT PROCEDURES

All pages in Section Seventeen are dated February 8, 1996

17.0 PARTICIPANT CLOSE-OUT PROCEDURES 1
17.1 Normal Study Close-Out, All Protocol Visits Completed 1
17.2 Death 1
 17.2.1 Participant Death 1
 17.2.2 Participant has reached a Medical Stop Point other than Death 2
17.3 Participant Does Not Wish to Continue in Study 2

SECTION EIGHTEEN. DRUG DISTRIBUTION

All pages in Section Eighteen are dated December 9, 1997

18.0 DRUG DISTRIBUTION 1
18.1 Introduction 1
18.2 Detailed Instructions For The New AASK Blinded Drug Distribution System 1
 18.2.1 Dispensing Randomized Medication For An AASK Participant 1
 18.2.2 Allocation of Blinded Medication at the Randomization Visit 1
 18.2.3 Allocation/Dispensing of Blinded Medication During Follow-Up 1
 18.2.4 Optional Features on the Blind Drug Inventory Menu 2
 18.2.5 View Box Contents 3
18.3 Drug Distribution by Treatment ID and Box 3
18.4 Use of Pill Boxes 4
 18.4.1 Dispensing in Pill Boxes 4
 18.4.2 Option #1 for dispensing 5
 18.4.3 Option #2 for dispensing 5
18.5 Procedure for Emergency Unblinding of the Randomized Medication 6

SECTION NINETEEN. LIFESTYLE MODIFICATION

All pages in Section Nineteen are dated February 21, 1996

19.0 SUGGESTIONS FOR LIFESTYLE MODIFICATIONS 1
19.1 AASK Recommendations for Life Style Modifications - Dietary Fat Reduction 1
19.2 AASK Recommendations for Life Style Modifications - Dietary Sodium Reduction 2
19.3 AASK Recommendations for Life Style Modifications - Weight Loss 3
19.4 AASK Recommendations for Life Style Modifications - Potassium 4
19.5 AASK Recommendations for Life Style Modifications - Calcium 5
19.6 AASK Recommendations for Life Style Modifications - Phosphorus 6

19.7	AASK Recommendations for Life Style Modifications - Protein.....	7
19.8	AASK Recommendations for Life Style Modifications - Weight Gain.....	8
19.9	American College of Sports Medicine Guidelines for the Quantity and Quality of Training for Developing and Maintaining Cardiorespiratory Fitness, Body Composition, and Muscular Strength and Endurance in the Healthy Adult.....	9
19.10	Incorporating Exercise Into Day-to-Day Life.....	10
19.11	Smoking - Quitting Tips	11

SECTION TWENTY. STUDY COORDINATOR

All pages in Section Twenty are dated May 1, 1997

20.0	STUDY COORDINATOR.....	1
20.1	Introduction	1
20.2	Participant Instructions During Baseline.....	2
20.3	Randomization and Initiation of Follow-Up	2
20.4	Monitoring and Promoting Adherence.....	3
20.5	Hospitalization and Death Procedures.....	3
20.6	Stop Points	4
20.7	Ordering and Filing Data Forms.....	4
20.8	Electronic Mail (E-Mail) Files.....	4
20.9	Logs or Minutes of Staff Meetings.....	4
20.10	Study Site Visit	4
20.11	Emergency Unblinding Procedure.....	5
