

## SAMPLE QOL LETTER

Date

Name  
Address  
City, St Zip

Dear \_\_\_\_\_,

As you may recall, you recently agreed to participate in a federally funded national study for new dialysis patients. We would like to thank you for agreeing to take part in this important study and take this opportunity to provide you with some additional information.

DataBanque has been selected by the Comprehensive Dialysis Study (CDS) project as the company who will be responsible for conducting a telephone-based survey with you. A DataBanque representative will be calling you and asking you questions primarily about your quality of life since being on dialysis. The survey will take approximately 40 minutes to complete and all information collected will be completely confidential.

We will be calling you within the next week or so to conduct the survey. Should you have any questions prior to our call, you may contact Sandie Josapak toll-free at 1-866-268-3493.

Thank you, again, for your willingness to provide important information on the needs of dialysis patients. The information collected from this study will help researchers learn more about the lifestyle of dialysis patients.

Sincerely,

Sondra Frenz  
COO  
DataBanque, Ltd.
