Above each screenshot or set of screenshots is the name of the table in the CORI3 National Endoscopic Database where the data collected on that screen is found. Some screenshots show the content of menus or subscreens that are also documented in the same table. In addition, screenshots of the menus are shown (circled). Grid data (grids are in red squares) are found in tables named below the screenshot.

The screenshot shows the EGD software interface with various sections labeled A through L on the left. The 'Evaluation of Suspected' section is active, showing checkboxes for Varices, UGI Bleed, Malabsorption, Barrett's, IBD, Other, and Hematemesis (which is checked). A 'Hematemesis Detail' dialog box is open, containing fields for 'Last Bleed:' (with dropdown options: 25-48 hours ago, 6-24 hours ago, <6 hours ago, >48 hours ago, currently bleeding, unknown) and 'Documentation:' (with a 'Close' button). The background shows other sections like 'Symptoms', 'Surveillance of', and 'Research Study'.

Scheduling activity grid data available in EGD_Activity_330

The screenshot shows the EGD software interface with the title bar "Current User: CORI Tech Support" and "Demonstration Only". On the left, a vertical menu lists items A through L: Home, History, PE / Labs, Proc. Info, *Indications, Liver Disease, Exam Info, Findings/Therapy, Intervent/Events, Assess/Diag, Treatment Plan, and Scheduling (highlighted in blue). The main workspace is titled "Disposition" and contains sections for "After Procedure Patient Sent:" and "After Recovery Patient Sent:". Below these are "Scheduling actions" with checkboxes for "Await Pathology to schedule patient" and "Follow-up prn". A table titled "Scheduling activities" lists "Activity" and "To Whom". To the right is a scrollable list of disposition options. At the bottom is a "Scheduling Comments:" field and an "Expand" button.

The screenshot shows the EGD software interface with the title bar "Current User: COPD Tech Support" and "Demonstration Only". The left sidebar lists modules A through L, with "L: Scheduling" highlighted in blue. The main window displays the "Disposition" section with fields for "After Procedure Patient Sent:" and "After Recovery Patient Sent:". Below this is a "Scheduling area" containing two checkboxes: "Await Pathology to schedule patient" and "Follow-up prn". A table titled "Scheduling area" follows, with columns for Activity, To Whom, Comments, when, and Date. At the bottom is a "Scheduling Comments:" field with an "Expand" button.
