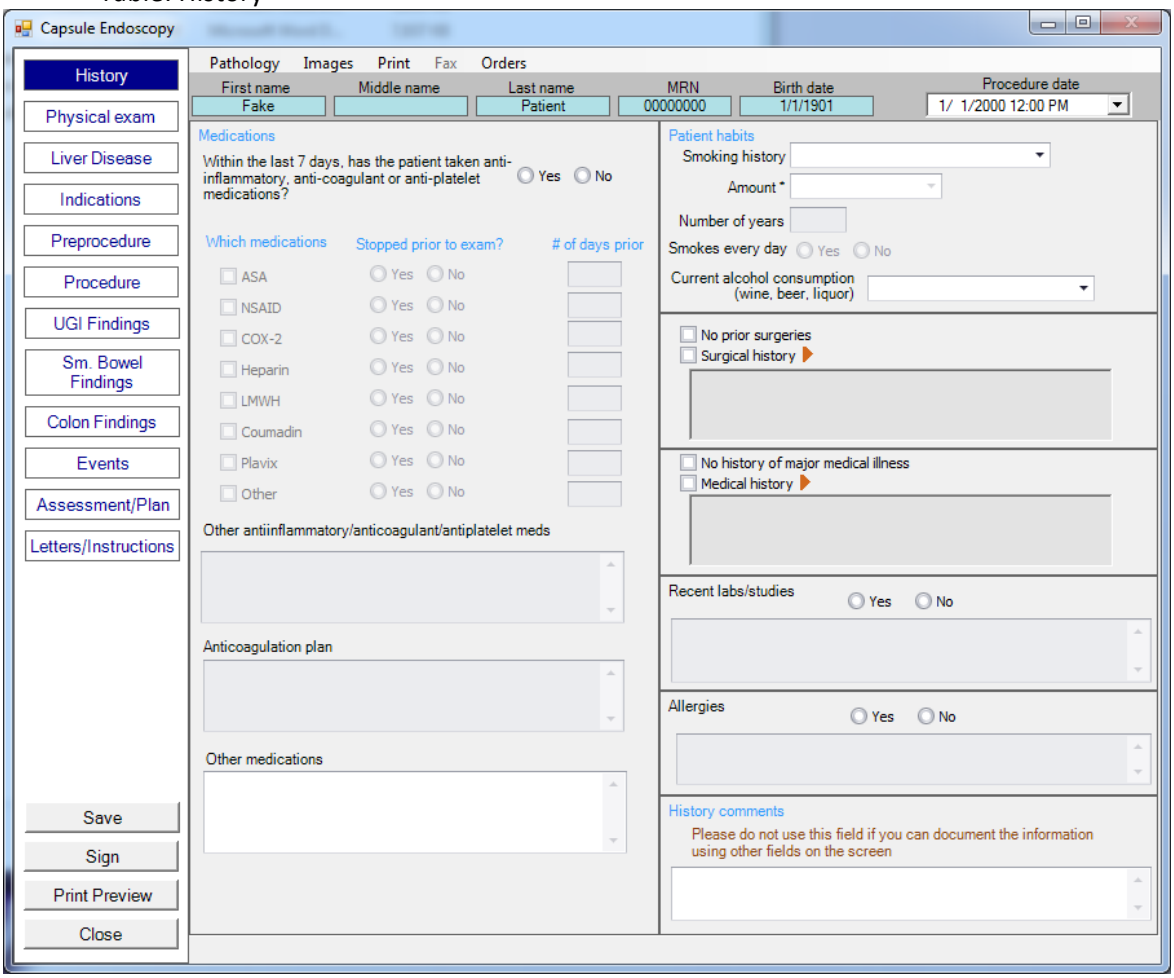
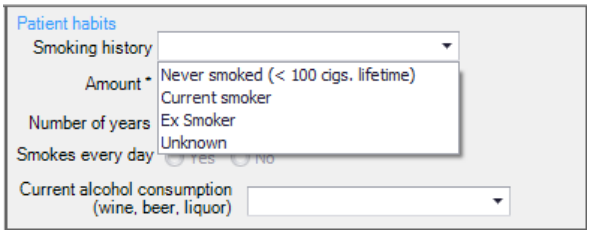
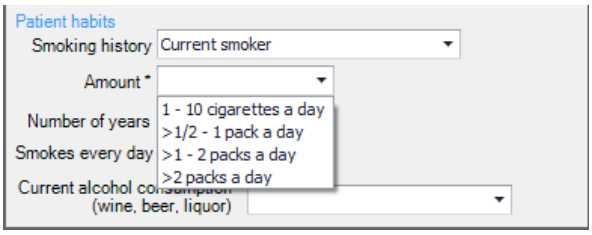
Above each screenshot or set of screenshots is the name of the table in the v4 National Endoscopic Database where the data collected on that screen is found. Some screenshots show the content of subscreens that are also documented in the same table. Controls which have subscreens are evidenced by the orange arrows:

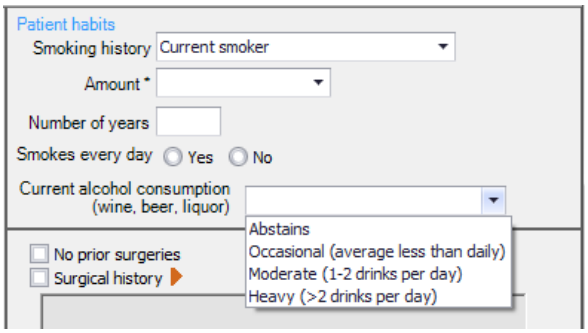
HISTORY

Table: History









Patient habits
Smoking history
Current smoker
Amount *
Number of years
Smokes every day
Yes
No
Current alcohol consumption (wine, beer, liquor)
Abstains
Occasional (average less than daily)
Moderate (1-2 drinks per day)
Heavy (>2 drinks per day)
No prior surgeries
Surgical history
