HLA RESULTS LETTERS

The HLA results letters are based on the following queries. These queries request that a set number be entered and then they select the records with the appropriate HLA type. Letters are printed on DAISY letterhead.

Query	LetPrint	Type	SetNumber	Permiss
qryRocheLetter3/-	No or N/A	3/- 3/2 32B 34A 3/X 3/3	[What set number?]	1-Yes or Yes-1
