

Notification letter HLA, Unable to contact.

To The parents of,
Child name
ID #

Dear _____,

When your child was born at St. Joseph's Hospital, you consented to having your child's umbilical cord blood screened for diabetes gene markers as was discussed with you in the hospital. We have mailed the results of this testing to you and I have been attempting to contact you by telephone to answer any questions you may have, regarding diabetes or the results of the testing. I have been unable to contact you, the telephone number we have on record for you is no longer current. Please call me as soon as possible at (###) ###-#### I look forward to speaking with you and answering any questions you may have.

Sincerely,

DAISY Study Nurse
