<u>ISEL-12</u>

This scale is made up of a list of statements each of which may or may not be true about you. For each statement blacken "definitely true" if you are sure it is true about you and "probably true" if you think it is true but are not absolutely certain. Similarly, you should blacken "definitely false" if you are sure the statement is false and "probably false" if you think it is false but are not absolutely certain.
