Please provide the following information by checking the appropriate response or filling in the blank.

Directions: On the following pages you will find a series of statements that individuals can use to describe themselves. There are no correct or incorrect responses. All people are unique and different, and it is these differences which we are trying to learn about. Please read each statement carefully and give your best estimate of how well it describes you. For each statement circle the appropriate number to indicate how well a given statement describes you.

- | | |
|------------------|-------------------------------|
| <u>circle #:</u> | <u>if the statement is:</u> |
| 1 | Extremely untrue of you |
| 2 | Quite untrue of you |
| 3 | Slightly untrue of you |
| 4 | Neither true nor false of you |
| 5 | Slightly true of you |
| 6 | Quite true of you |
| 7 | Extremely true of you |

If one of the statements does not apply to you (for example, if it involves driving a car and you don't drive), then circle "X" (not applicable). Check to make sure that you have answered every item.
