Please read the following statements carefully. These statements refer to infants (birth to 12 months). Some of these statements may seem similar but are actually different. These statements are neither right nor wrong. We just want to know your opinion. **Please rate how strongly you agree or disagree with each statement.**

Days between randomization and date form completed: **[LM28DAYS]**

days

	Disagree	Slightly Disagree	Neutral	Slightly Agree	Agree
1. When an infant cries it usually means he or she needs to be fed. [ICRY]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
2. An infant less than 6 months old needs more than formula or breast milk to be full. [IMFORM]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
3. A breast-fed infant will be smarter than a formula-fed infant. [IBSMART]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
OP 1. Infants who are thin are usually healthy. [ITHIN]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
OP 2. Feeding an infant too much will result in a fat child. [IFAT]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
OP 3. I think it is okay to prop an infant's bottle. [IPROP]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
4. Putting cereal in the bottle is good because it helps an infant feel full. [ICEREAL]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
5. It's important that an infant be the one to set his or her own feeding schedule. [ISCHED]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
6. The best way to make an infant stop crying is to feed him or her. [IFEED]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
7. It's important for the parent to decide how much an infant should eat. [IPARENT]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅

	Disagree	Slightly Disagree	Neutral	Slightly Agree	Agree
OP 4. A healthy infant is a fat infant. [IHLTHF]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
8. A breast-fed infant will be healthier than a formula-fed infant. [IBHLTH]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
9. It's important for an infant to eat at the same times every day. [ISAMETM]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
10. It's important that an infant finish all the milk in his or her bottle. [IFINISH]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
11. An infant less than 6 months needs more than formula or breast milk to sleep through the night. [IFSLP]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
OP 5. A greedy infant may eat too much and become fat [IGREED]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
12. A breast-fed infant will be more likely than a bottle-fed infant to know when he or she is full. [IBFULL]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
OP 6. Infants who are fed solids (such as cereals) too soon will become fat infants. [ISLDFAT]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
13. Breast milk alone is not enough to fill up an infant less than 6 months. [IBALONE]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
14. Cereal in the bottle will help an infant sleep through the night. [ICERSLP]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
15. An infant should never eat fast food. [IFAST]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
16. A breast-fed infant is less likely to become fat than a bottle-fed infant. [IBFAT]	<input type="text"/> ₁	<input type="text"/> ₂	<input type="text"/> ₃	<input type="text"/> ₄	<input type="text"/> ₅
