A. Complaints

Below is a list of complaints people sometime have. For each item, check the one that best describes how bothersome the complaint was for you <u>during the past 4 weeks</u>. Be sure to mark one box for each complaint listed. If you did not have the problem, please check the box under "did not occur." If you had the complaint, use the following key to indicate how bothersome it was:

Mild = complaint did not interfere with usual activities.

Moderate = complaint interfered somewhat with usual activities.

Severe = complaint was so bothersome that usual activities could not be performed

	Complaint	Did not	Complaint occurred and was:			
	Complaint	occur	Mild	Moderate	Severe	
1.	Heartburn	1	2	3	4	
	(burning sensation in chest or upper abdomen)

C. Urir	nary History						
The following questions are about your urinary or bladder habits. These questions may seem personal or embarrassing, but your answers are important for research on these common health issues.							
In the past 12 months, have you been told by a doctor that you had an infection of your bladder (urinary tract infection) or kidneys?							
₁	→ a. Number of bladder (urinary tract) infections in the last year						
2 🗆 No	b. Number of kidney infections in the last year						
₃ 🗆 I don't	know if it was an infection of my bladder or of my kidneys.						
In the past 7 days , on average, how many times each day have you had to go to the bathroom to urinate :							
a. during the day? times per day							
b. during	the night after going to bed? times per night						
Many people complain that they leak urine or wet themselves accidentally. In the past 12 months , have you leaked even a small amount of urine ? (Check one only)							
² Less than once per month							
$_{3}$ \Box One or more times per month							
4 🗆 One or more times per week							
5 🗆 Every	day						
Have you	leaked even a small amount of urine or wet yourself in the past 7 days?						
₁ 🗆 Yes→	In the past 7 days, how many times did you leak urine with (Mark all that apply)						
2 🗌 No	a. 🗌 An activity like coughing, sneezing, lifting, or exercise.						
	times in the last week						
	b. An urge to urinate and couldn't get to the bathroom fast enough.						
	times in the last week						
	c. Other reasons or don't know.						
	times in the last week						
	e following rsonal or er ues. In the pas tract infect 1 □ Yes 2 □ No 3 □ I don't In the pas urinate: a. during 1 b. during 1						

	D.	Weight History					
1.	Hov	v much did you weigh wh	en you were 20 yea	irs old?			pounds
2.	Hov	v much did you weigh wh	en you were 30 yea	irs old?			pounds
3.	Hov	v much did you weigh wh	en you were 40 yea	irs old?			pounds
4.	How much did you weigh when you were 50 years old?
