This questionnaire covers material that is sensitive and personal. There are no "right" or "wrong" answers, but rather a recall of your experience. It is important that you read each question carefully, and answer accurately and honestly. Responses will be used for research and are strictly confidential.

Please check one box per question and initial each page.

Let's define sexual drive as a feeling that may include wanting to have a sexual experience (masturbation or intercourse), thinking about having sex, or feeling frustrated due to lack of sex.
