

Module 4

We would like to know how you or your child check your child's blood sugar and what you or your child usually do about low blood sugar.

1. Do you or your child check your child's blood sugar at home? {bststoth_heaq_s4}

1 Yes →

2 No

3 Don't know

How often is your child's blood sugar usually tested with a glucose meter? {testedBS3M_splq}

1 About once a week or less

2 About once a day or less

3 1 – 2 times a day

4 3 times a day

5 4 – 6 times a day

6 7 or more times a day

7 Only when your child is sick

8 Continuously (CGM)

9 Don't know

2. Does your child use a continuous glucose monitor (CGM) to measure his/her glucose or sugar levels? (A CGM is a glucose sensor that is inserted under the skin to measure glucose levels on a continuous basis throughout the day and night). {bscgm_heaq}

1 Yes →

2 No

3 Don't know

How has your child used the CGM? {bscgm_doc_heaq_s4}

1 He/she has borrowed it from their doctor's office (professional model)

How often has he/she used it? 1 1 time

{bscgm_docnum_heaq_s4} 2 2 or more times

3 Don't know

2 My child has their own CGM for use at home. {bscgm_home_heaq_s4}

How often does your child use it? {bscgm_homenum_heaq_s4}

1 Rarely (0 – 19% of the time)

2 Occasionally (20 – 39% of the time)

3 About half the time (40 – 59% of the time)

4 Usually (60 – 79% of the time)

5 Most of the time (80 – 99% of the time)

6 Always (100% of the time)

7 Don't know

3. According to your child's diabetes provider, how often should your child's blood sugar be tested? {HowOftenSuggested_splq_s4}

1 Less than once a week

2 Less than once a day

3 1 – 2 times a day

4 3 times a day

5 4 – 6 times a day

6 7 or more times a day

7 Only when they are sick

8 Continuously (CGM)

9 Don't know

4. Does your child use wireless technology that allows you or another person to review his/her blood sugars or glucose readings from somewhere else, for example, My Sentry? {wireless}

- 1 Yes 2 No 3 Don't know

5. How often does your child miss his/her diabetes medicine including insulin? {misdmmmed_splq}

1 Doesn't take diabetes medicine

2 Never

3 Once or twice a year →

4 Once a month →

5 1 – 3 times a month →

6 1 – 5 times a week →

7 1 time a day →

8 More than 1 time a day →

9 Don't know →

When your child misses a diabetes medicine is it because:
(Check all that apply)

- He or she forgot {msmdforg_splq}
- Cannot afford medicine {msmdcost_splq}
- Insurance company would not approve, cover or pay for it {msmdinsure}
- Problems getting to doctor's office/prescription ran out {msmdpres}
- Side effects of medication {msmdside}
- Tired of taking medication {msmdtiremed}
- Doesn't want to take medication with others around {msmdemba_splq}
- Tired of shots {msmdtire_splq}
- Worried about low blood sugar {msmdlwbs_splq}
- Afraid of needles {msmdafra_splq}
- Other (specify) {msmdotre_splq} {msmdotsp_splq}
- Don't know {msmddk}
