## Module 14

We want to know what you think about your child's health care providers.

<ol> <li>A personal doctor or nurse is the health care provider who knows your child best. This can be a general doctor, a specialist doctor, a nurse practitioner, or a physician assistant. Does your child have one person you think of as his/her personal diabetes doctor or nurse?         {personaldoctor_qocs_s4}</li> </ol>
