Introduction: This survey contains questions about your satisfaction with the results of your surgery, and measures of your current urinary symptoms, your quality of life, your capabilities to perform routine daily living activities, and sexual activities.

As with all of the information we collect for this research study, all of your responses are completely confidential. Your responses are never linked with your name and your name never appears on any of the research documents. Providing this information will not affect any of your services, benefits, or eligibility for coverage.

This survey should take about 15 minutes to complete. Ideally, you will be able to complete the entire survey in one sitting.

There are five (5) parts to the 6 Month Follow-Up Patient Survey. Please read the instructions at the start of each section carefully before you begin each new section.

Try to answer every item, but do not dwell too long on any one question. We want your answers, so please complete the questionnaire on your own. After you have completed the Survey, please check to make sure you have not missed any items. If you have any questions about any of these items, please call me:

Section B: Satisfaction with the Results of Surgery

You have had surgery to reduce urinary incontinence (urine leakage) and to lessen the impact of these symptoms on your life. These questions ask you to tell us how satisfied you are with the result(s) of your bladder surgery related to your symptoms, emotions, and participation in physical and social activities. This information will help us to understand your views of your surgical experience.

GENERAL INSTRUCTIONS: Please read the question and symptoms in the first column. Then, work across the page and tell us about how satisfied or dissatisfied you are with the result of your bladder surgery related to that symptom. Circle the one response that **best** describes your level of satisfaction. If you **NEVER** experienced the symptom (neither before nor after surgery), **DO NOT** rate your satisfaction. **Instead**, circle **NA** in the last column labeled "**Not Applicable (NA)".**

This section asks about **symptoms** that you may have experienced **before** and/or **after** surgery.

How satisfied or dissatisfied are you with the result of bladder surgery related to the following symptoms….

	Completely dissatisfied	Mostly dissatisfied	Neutral	Mostly satisfied	Completely satisfied	Not Applicable
B1. …Urine leakage?	**1**	**2**	**3**	**4**	**5**	**NA**
B2. …An urgency to urinate such that you fear not making it to the bathroom in time?	**1**	**2**	**3**	**4**	**5**	**NA**
B3. …Frequent urination?	**1**	**2**	**3**	**4**	**5**	**NA**

This next section asks about **activities** that you may have limited **before** and/or **after** surgery because of your bladder problem.

How satisfied or dissatisfied are you with the result of bladder surgery regarding your current capability to perform the following activities…

	Completely dissatisfied	Mostly dissatisfied	Neutral	Mostly satisfied	Completely satisfied	Not Applicable
B4. …Physical activities (e.g. housework, yardwork, going for a walk, dancing, jogging, golfing)?	1	2	3	4	5	NA
B5. …Social activities (e.g. visiting friends, vacationing, going to church or temple)?	1	2	3	4	5	NA
B6. …Sexual activity?	1	2	3	4	5	NA

This next section asks about **emotions** that you may have experienced **before** and/or **after** surgery because of your bladder problem.

How satisfied or dissatisfied are you with the result of bladder surgery regarding…

	Completely dissatisfied	Mostly dissatisfied	Neutral	Mostly satisfied	Completely satisfied	Not Applicable
B7. …Your emotions (e.g., feelings of embarrassment, helplessness, frustration, and/or depression)?	1	2	3	4	5	NA

Please answer the following questions by circling either **1** (Yes) or **2** (No).

B8. If you could go back in time to when you had your bladder surgery, and knowing what you know now, would you still choose to have the surgery?	Yes 1	No 2
B9. Would you recommend this surgery to a family member or friend?	Yes 1	No 2
