

ValUE Data Archive Description

The Value of Urodynamic Evaluation (ValUE) data archive contains the study protocol, study forms; data collected by the study; and other descriptive documentation.

The archive is organized into the following directories:

1. ValUE_Documents
2. ValUE_Forms
3. ValUE_Data
4. ValUE_DSIC

1. ValUE Documents

The “ValUE_Documents” directory contains the following documents:

- ValUE Study Protocol - Protocol 072508.pdf
- ValUE List of Publications - List_of_Publications_for_NIDDK Repository ValUE__Alpha.pdf
- ValUE Contents of analysis datasets - analysis_contents.docx
- ValUE Contents of form datasets - Contents for All Forms.rtf
- Codebook: Document with descriptive statistics for each variable.
