## Patents

---

**NIDDK strongly encourages that all resources generated from the use of data or specimens received from NIDDK-CR remain freely available without the need for additional licensing or fees to benefit the wider scientific community; however, it does not explicitly prohibit patenting or licensing of results generated by the research project. Have there been any intellectual properties resulting from analyzing requested data?\***

No, there has been no license or patent resulting from the resources obtained from NIDDK-CR.

Yes, intellectual property rights have been filed as a result from analyzing the resources obtained from NIDDK-CR.

[Note: "Please reach out to the Technology and Advancement Office at [tao@niddk.nih.gov](mailto:tao@niddk.nih.gov) to discuss IP reporting.
